

August 30, 2023

To all my dear customers over the last 34 years,

As many of you are aware, the City of Lake Oswego is acquiring our business property via eminent domain to build a new wastewater treatment plant. It is bittersweet that after 34 years in business, August 31, 2023 will be our last day.

I cannot begin to express my gratitude for all the years of trust you have placed in us. Many of you have been bringing your vehicles in for service since I opened in 1989. We have several 3 generation families we take care of.

For future service or repairs, I am referring you to Scott LaPlante at Sherwood Auto Repair in Tualatin. I recommend this shop because I truly believe you will receive the same high quality treatment and service you've come to depend on here at Erickson's. If a warranty should arise from service we have performed, Scott will assist you in getting it taken care of via our Technet Nationwide 24 month 24,000 mile warranty. When you take your vehicle to Sherwood Auto Repair, be sure to let them know you are an Erickson's Automotive customer. We can transfer your records to them for you.

If you have questions or would like a copy of your service records contact myself at [bill@ericksonautomotive.com](mailto:bill@ericksonautomotive.com).

You can also leave voicemail at 503-479-7763 and I will do my best to respond within 48 hours

With Sincere Gratitude,

Bill Erickson
